ABOUT US

Established in 1982 by a veterinarian, **Éditions Michel Quintin** initially focused on publishing popular science books about animals, nature, and the environment.

Thanks to the dedication of a savvy, dynamic team with an eye for daring, original ideas, the publishing house list later grew to include all genres of novels, picture books and comic books in addition to educational and reference guides.

Today, it's one of the leading contributors to young adult literature and ranks as the 4th largest publisher of franco-phone comic books and graphic novels in Canada.

These efforts to publish an increasing variety of quality books have resulted in prestigious awards and a loyal following of young and adult readers. Around fifty new titles are added to the in-house catalogue every year, which now consists of **1,000 publications**, with an additional 300 digital books, several bestsellers and international editions.

Éditions Michel Quintin acknowledges the support of the Government of Canada, the Government of Québec, the Canada Council for the Arts and the Sodec.

en toile. J'espère que tu vas l'aimer. J'y ai vraiment mis tout mon cœur, ajoute-t-elle d'un ton surexcité.

Je fouille dans le sac pour y découvrir une réplique quasi identique du costume d'un personnage secondaire tiré du comics *Lady Moth*. Cette série est très populaire en ce moment. Son auteur compte même parmi les invités du Comiccon cette année.

— Wouah! Merci beaucoup! J'ai déjà hâte de le mettre, il est super réussi! dis-je en regardant le costume de superhéros.

— N'est-ce pas? répond-elle d'un air satisfait.

Eastwood est le compagnon de Lady Moth, qui la suit dans toutes ses aventures. Il est ce que Robin est à Batman. J'aime beaucoup l'originalité de son habillement, qui semble sorti tout droit d'un western.

Quant à Lady Moth, dans l'histoire, c'est une superhéroïne mi-coccinelle, mi-papillon de nuit. Elle porte un costume de latex moulant, un masque vénitien décoré de deux antennes en forme de peigne qui couvre le haut de son visage, une collerette de fourrure autour du cou et ses cheveux roux sont retenus en deux longues couettes de chaque côté de sa tête.

Sandy sort son téléphone de son sac à main pour me montrer les photos de l'avancement du costume qu'elle compte porter demain.

— Le Comiccon arrive vite, j'ai peur de ne pas être capable de terminer mes retouches à temps. Qu'en penses-tu? C'est assez ressemblant avec Lady Moth? Les ailes, tu les trouves comment? Ce qui est génial avec ce déguisement, c'est que je n'ai pas besoin de perruque puisque le personnage est roux comme moi, dit-elle en zoomant sur certaines parties précises des photos.

EVERY SO OFTEN, PLANTS DIE

Gabrielle Maurais

I think of you often, even if I don't want to. I'm mad at you one day and I miss you the next. Everyone said we had a friendship worthy of a movie. Some even asked me my secret to having such a beautiful bond with you, as if you were a plant and I had the ideal technique to keep you alive.

Miro and Sabrina met at college, in circumstances that neither will soon forget. Over time, the strangers that they were became closer to the point of being at the center of each other's lives. However, after four years of sharing the ups and downs of daily life, they no longer speak to each other. What happened between them to turn everything upside down?
