ABOUT US

Established in 1982 by a veterinarian, **Éditions Michel Quintin** initially focused on publishing popular science books about animals, nature, and the environment.

Thanks to the dedication of a savvy, dynamic team with an eye for daring, original ideas, the publishing house list later grew to include all genres of novels, picture books and comic books in addition to educational and reference guides.

Today, it's one of the leading contributors to young adult literature and ranks as the 4th largest publisher of franco-phone comic books and graphic novels in Canada.

These efforts to publish an increasing variety of quality books have resulted in prestigious awards and a loyal following of young and adult readers. Around fifty new titles are added to the in-house catalogue every year, which now consists of **1,000 publications**, with an additional 300 digital books, several bestsellers and international editions.

Je les ai vus ensemble au casse-croûte où je travaille Coralie Ruel est tellement bête!!!

Je ferme l'application et me rends sur Messenger dans l'espoir d'y trouver un message de Greg, mais j'ai aucune nouvelle notification. Mon cœur se serre fort alors que je constate que d'un côté, l'Internet en entier s'intéresse à moi, mais dans ma propre boîte

de réception, on croirait entendre une balle de foin tourner au vent, comme dans les mauvais westerns. Je tape le nom de Florence dans la barre de recherche et commence un message.

Salut Flo, si tu vois Greg bientôt, pourrais-tu lui dire que tout ça, ce n'est pas ce qu'il croit? La photo est une illusion (nos lèvres se sont accrochées accidentellement alors que Miguel voulait embrasser ma joue) et la vidéo est tirée d'une scène qui apparaîtra dans la prochaine saison. Dis à Greg de m'appeler, s'il te plaît, je capote un peu...!

J'hésite à envoyer mon message. Est-ce que me défendre comme ça me donne l'air encore plus coupable? Peut-être, mais Florence est vraiment cool. Et c'est l'une des meilleures amies de Greg, donc c'est sûr qu'il va lui parler de tout ça, si c'est pas déjà fait. J'appuie sur «Envoyer».

Presque au même moment, la photo de Roxanne surgit dans le haut de mon écran, accompagnée d'un petit point vert. Elle est en ligne et, à moins qu'elle passe sa soirée sous une roche, elle a clairement vu la nouvelle, elle aussi. Comme toutes mes anciennes amies, d'ailleurs.

THE THREE HUNDRED AND SIXTY DEGREES OF THE SUN

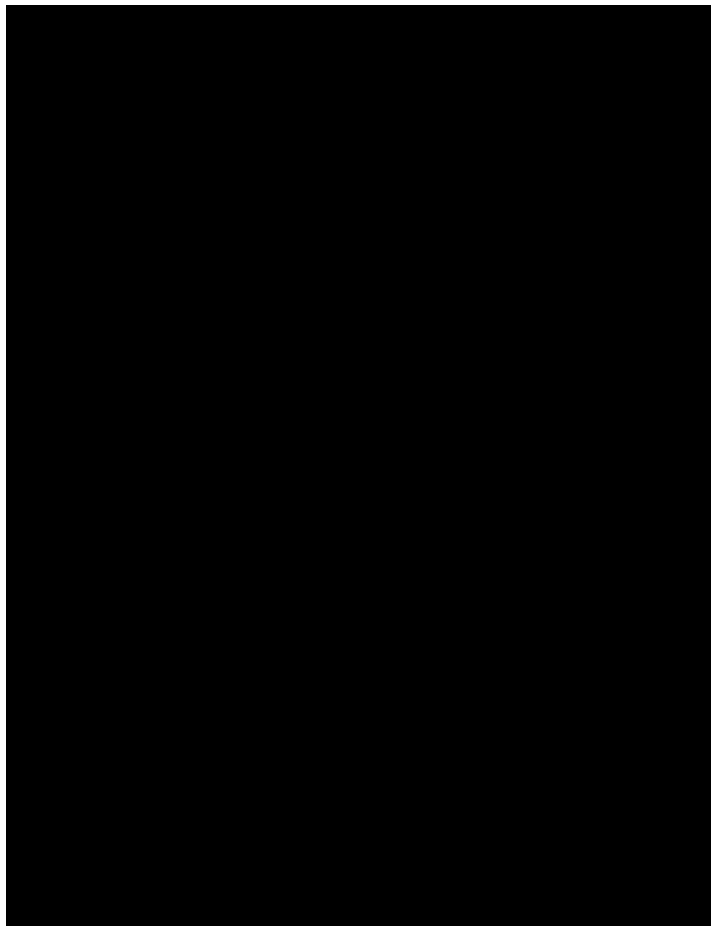

Gabrielle Maurais

These temporary squatters have nothing in common, except that they are both going through a difficult time. Matt is recovering from a breakup and trying to reorient his career, while Olivia is secretly battling an eating disorder that is taking up more and more space in her head. Their forced cohabitation brings them closer than they could have believed, but life, in all its unpredictability, soon pushes them apart. Will they succeed in defying fate and finding their way back to each other?
