ABOUT US

Established in 1982 by a veterinarian, **Éditions Michel Quintin** initially focused on publishing popular science books about animals, nature, and the environment.

Thanks to the dedication of a savvy, dynamic team with an eye for daring, original ideas, the publishing house list later grew to include all genres of novels, picture books and comic books in addition to educational and reference guides.

Today, it's one of the leading contributors to young adult literature and ranks as the 4th largest publisher of franco-phone comic books and graphic novels in Canada.

These efforts to publish an increasing variety of quality books have resulted in prestigious awards and a loyal following of young and adult readers. Around fifty new titles are added to the in-house catalogue every year, which now consists of **1,000 publications**, with an additional 300 digital books, several bestsellers and international editions.

Éditions Michel Quintin acknowledges the support of the Government of Canada, the Government of Québec, the Canada Council for the Arts and the Sodec.

Je fixe les mots quelques secondes. Mon cœur se met à battre plus vite. Presque aussitôt, je reçois un deuxième courriel m'avisant de l'arrivée d'un message privé.

Mikaël Jacobsen: On ce connaît?

Trois mots, deux fautes. J'espère qu'il se force davantage dans ses compositions écrites. Je m'arme de courage et vais sur Facebook pour pouvoir lui répondre.

Rose Turner: Pas encore. Je suis nouvelle dans le coin. On demeure à l'Auberge Boisjoli, moi et mes parents, en attendant de trouver une maison convenable.

Je relis mon message et le trouve froid. J'ajoute un bonhomme souriant.

Mikaël Jacobsen: Comment t'as eu mon nom?

🌸
Rosalie l'invisible

Rose Turner: Quelqu'un à l'hôtel m'a dit que tu fais un party d'Halloween ce soir. Comme je ne connais personne, je me suis dit que je commencerais par toi. 😊

Mikaël Jacobsen: C sa, tu veux m'utiliser pour te faire des amis? 😊

Rose Turner: Un peu! 😊

Mikaël Jacobsen: Tu fais koi, là? T à l'école?

Oh zut! Je n'avais pas du tout prévu ça. Si je lui dis que j'étudie au Collège de Boisjoli, il va vouloir qu'on se rencontre. Je ne peux pas non plus raconter que je suis inscrite à une autre école de la région, au cas où il connaîtrait des gens qui y vont. Quelques minutes s'écoulent. P. Moutier continue à nous endormir avec l'analyse grammaticale de la phrase.

THE TRIPLE LIFE OF CHARLIE

Carine Paquin

My name is Charlie Paradis-Mendez and I love playing the drums. I say play, but for me, it's much more than a game: it's my passion. My dream has always been to play in a band. This summer, when I decided to move to the Magdalen Islands with my father, I was not expecting an opportunity to finally present itself.

As soon as I got there, I learned that The Rogues, a band from a neighbouring village, was looking for a new drummer. But there is just a small catch. The group only accepts boys for an audition. Sexist much?

Whatever! I'm going to pose as one of the boys during the tryout. Only after they see what I'm capable of and accept me into the band will I tell them the truth.

Salut Flo, si tu vois Greg bientôt, pourrais-tu lui dire que tout ça, ce n'est pas ce qu'il croit? en toile. J'espère que tu vas l'aimer. J'y ai vraiment mis tout mon cœur, ajoute-t-elle d'un ton surexcité.

Je fouille dans le sac pour y découvrir une réplique quasi identique du costume d'un personnage secondaire tiré du comics *Lady Moth*. Cette série est très populaire en ce moment. Son auteur compte même parmi les invités du Comicon cette année.

— Wouah! Merci beaucoup! J'ai déjà hâte de le mettre, il est super réussi! dis-je en regardant le costume de superhéros.

— N'est-ce pas? répond-elle d'un air satisfait.

Eastwood est le compagnon de Lady Moth, qui la suit dans toutes ses aventures. Il est ce que Robin est à Batman. J'aime beaucoup l'originalité de son habillement, qui semble sorti tout droit d'un western.

Quant à Lady Moth, dans l'histoire, c'est une superhéroïne mi-coccinelle, mi-papillon de nuit. Elle porte un costume de latex moulant, un masque vénitien décoré de deux antennes en forme de peigne qui couvre le haut de son visage, une collerette de fourrure autour du cou et ses cheveux roux sont retenus en deux longues couettes de chaque côté de sa tête.

Sandy sort son téléphone de son sac à main pour me montrer les photos de l'avancement du costume qu'elle compte porter demain.

— Le Comicon arrive vite, j'ai peur de ne pas être capable de terminer mes retouches à temps. Qu'en penses-tu? C'est assez ressemblant avec Lady Moth? Les ailes, tu les trouves comment? Ce qui est génial avec ce déguisement, c'est que je n'ai pas besoin de perruque puisque le personnage est roux comme moi, dit-elle en zoomant sur certaines parties précises des photos.

« Sous le ciel étoilé d'une nuit d'hiver dépourvue de son tapis neigeux, l'aube du nouveau-né s'anorce avec une solennité presque mystique. L'électricité a-t-elle tui devant l'improbable arrivée de ce nourrisson, ou est-ce plutôt un signe que l'enfant nous envoie pour nous prévenir de sa venue? »

Déchirée par les spasmes foudroyants enserrant son être, Angélique déploie sa force comme si les entrailles de la terre elle-même se soulevaient.

Les gémissements, échos d'une souffrance millénaire d'exil et de pénitence, s'élèvent dans l'air chargé de tension. Chaque contraction, tel un rappel des lois de la nature indigène, étirent l'âme de sa femme.

Dans cette danse macabre entre l'agonie et l'espoir, Angélique traverse les cercles infernaux de la douleur, sculptant avec son corps meurtri le chemin chaotique vers la délivrance, révélant la véritable essence du déséquilibre.

C'est ainsi qu'Aube-Rose s'éveille au monde, portant en son être la promesse de lendemains plus harmonieux, laissant dans le présent une empreinte ineffaçable de la beauté fragile de la vie. Duai-je fait? Oh! Espoir que l'équilibre lui soit accordé ici et là-bas.»

Plus loin, mon père raconte mes premiers jours de vie. S'ensuit un rapport plus scientifique de faits entourant mon état et mon développement jour après jour. Tous les détails techniques qu'il note page après page me poussent à me le demander: n'étais-je qu'une expérience? Un frisson me traverse la colonne vertébrale quand il me vient l'idée de n'avoir peut-être été qu'un rat de laboratoire soumis à des tests pour nourrir la science et la curiosité d'un homme qui voulait tester le métissage entre humain et Zodiaque. Je tente de me raisonner. Ce ne peut pas être le cas, les amis de mon père ne m'auraient pas pris sous leurs ailes si je n'étais qu'une expérimentation macabre. Je dois persister à en apprendre
